

Dedicated. Experienced. NorthStar.

Success begins with clear communication.

There is nothing more important to us than understanding your needs and building a long-term relationship of honesty and mutual respect. Whether your patient needs a basic Hawley retainer or the most intricate Herbst™ design, NorthStar combines quality materials and expert craftsmanship with the latest techniques. The result? A superb appliance for your patient that is comfortable, effective, sharp-looking, and snaps in place with little or no adjustments.
